

Customize Blue Ridge Chairs with Your Logo

Customizing Blue Ridge Chairs by screen printing custom or corporate logos on chairs has numerous benefits. Show your spirit for your favorite team while comfortably enjoying the game. Promote a special event. Reward an employee for a job well done. Thank a loyal client with a high quality gift that will be appreciated and used. Top notch companies can enhance their corporate image or brand identification by using their logo on high quality portable furniture for premium gift and advertising promotional programs.

Whether you are an athletic department, a conservation organization, or a charitable non profit group, Blue Ridge Chair Works furniture with printed logos are very successful for fund raising campaigns. The style, comfort, and quality of this furniture exude value which makes it easy for fund raisers to meet their goals. The donors feel good about helping the cause because they get a chair they appreciate and will use and know their top dollar went to a good cause.

It is very easy to do a custom logo on chairs from Blue Ridge Chair Works. Just supply the logo and we take care of the rest. The minimums quantities are low with a modest setup fee and a nominal printing charge. Custom orders can be submitted at any time. **E-mail Us or call (800) 303-7574 for more information.**
